Approval Notice Final Report

RE: IRB File #

Dear _____ :

Your Final Report was reviewed and approved by _____ review on _____.
This study [**is complete/has been terminated**] and will be transferred to our closed file.
If [**participants enrolled/charts reviewed**] Pursuant to UMMC's record retention policy, study records must be retained for six years from the date of this letter (or longer if so specified by the study sponsor). If you leave UMMC prior to that time, ownership and custody of all research data remains with the institution, unless otherwise approved by the Vice Chancellor for Health Affairs.

If this study required registration through ClinicalTrials.gov please remember that upon completion or termination of the study you are required to update the record in the Protocol Registration System. Studies of an FDA-approved drug, biologic or device, must also register results within 12 months of the estimated or actual completion date of the study, whichever is earlier.

Thank you for submitting this final report and for keeping us informed about your research.

Sincerely,

Chairman, Institutional Review Board
